

FREE COACHING FOR MEMBERS

It is possible for all-age Group Coaching to be available on Club Nights.

The provision would be subject to proper Member Requests, including their aims and objectives, and availability of coaches at the time.

Such requests would normally be formalised at AGMs.

It may be possible for in-season requests to be accepted by the Management Team.

Such decisions would of course be reportable to the next AGM.

In addition, the 2013 AGM decided that Senior Members may receive coaching from 7.30pm on Club Nights. Over and above the general requirements, such arrangements would be on the understanding that the Junior Session would not be adversely affected.

Regarding the Junior Sessions, the Coaches act on behalf of the Management Team.
